Planning sheet

Title:

This sheet is to help you record what you will need to do to make a start on your project.

Who do you need?

What do you need?

What will it cost?

How long will it take?

Who is it for?
(Audience)

Storyboard

Image

Narration

The storyboard consists of four rows. Each row contains two rounded rectangular boxes. The left box is labeled 'Image' and the right box is labeled 'Narration'. Arrows point from the 'Image' boxes to the 'Narration' boxes. Additionally, diagonal arrows point from the 'Narration' box of one row to the 'Image' box of the row below it, indicating a sequential flow.

Review sheet

This sheet is to help you record the success of your project.

Did you work well together?

Were the resources used the right ones?

Did you keep to your budget?

Did you keep to the timescale you planned?

What was the audience reaction?
